Agenda Items:	
Agenda Item #1	Introductions of new staff; Announcements <ul style="list-style-type: none"> • SW Region Melanie Boyung • SE Margaret Brown
Agenda Item #2	David Castleberg Updates David updated us on Field Technology and went over highlights of his presentation for the spring construction conferences. <ul style="list-style-type: none"> • 3 pilot projects for the 2026 construction season for Materials in AWP Construction • Presented OKTA, the new domain to replace WAMS • AWP and Field Technology Construction presentation linked here: https://wisdot.box.com/s/4upnw9jtkস্যক3hlu8ytav18nzduiwu
Agenda Item #3	Adam/Annette Updates Annette did a brief overview of her spring construction conference presentation, you can view it from the link above along with past presentations. <ul style="list-style-type: none"> • Highlights include, when a contractor refuses to sign a change order, they have 7 days, then the PM is supposed to send an email • 5.05 AWP update in March, will allow change orders to be sent back to draft status to capture signatures, still in test phase, not sure if they will roll it out to construction staff right away. • Working Day Contracts, managing site times, link to liquidated damages scenarios https://wisdot.app.box.com/file/2132835455295 • Managing LD's updated 2/4/26 https://awpkb.dot.wi.gov/Content/constr/LETContract/OtherContractAdmin/AdjustingLDs.htm • Pay estimate CO reminders started going out around 10/30/2025, reminds the PM there is a pay estimate in AWP waiting for approval •
Agenda Item #4	SW Region Questions Craig and Vanessa asked in a previous meeting whether or not an email could be added to AWP Contractor Evals., any progress? <ul style="list-style-type: none"> • Adam has added an email to contractor evals. Newly created ones should have it on them. Also, can the Informational Times dates be grouped or sorted in the same sequence as seen on the Contract Status Dates page? <ul style="list-style-type: none"> • Adam, Annette and Anthony are going to work on either a sort function or grouping the sections together so it is easier for us to find the date in Informational Times that we need to enter for Contract Status dates.
Agenda Item #5
